Payments for Non-Medical Out-of-Home Care (NMOHC) or Title XIX Medical Facility	Number	Page
	99-105.3	1 of 2

Revision Date:

July 25, 2016

Background:

Certain institutionalized recipients may continue to receive CAPI benefits. The payment rates for these recipients depend on the type of institution and if the requirements in this section are met.

Purpose:

To provide the policy for payments for Non-Medical Out-of-Home Care (NMOHC) or Title XIX Medical Facilities.

Policy:

The following table shows the time requirements for the two types of payments for an institutionalized recipient. See the detailed definitions of types of facilities in Desk Aid 99-102.1A.

To receive the payment rate for ...	The recipient must have been in the facility for at least one ...
NMOHC Example: Board and Care Home	Day during the calendar month.
Title XIX Medical Facility Examples: Convalescent home, skilled nursing home, hospital	Full calendar month. See exception in 1, below.

1. Exception for Title XIX Medical Facility Payment Rate:

Use one of the other payment levels when a recipient is temporarily confined for medical care and all of the following apply:

- The individual was eligible for CAPI benefits under one of the higher payment standards in the month prior to entering a facility where the Title XIX facility rate would apply
- A physician must certify that the recipient is expected to be medically confined for 90 days or less
- The recipient must provide verification that he/she needs to pay some or all of the expenses of maintaining the home or living arrangement to which he/she may return.

Procedure:

Determine the CAPI payment for NMOHC or Title XIX Medical facility as stated in the policies above.

Program Impact/s:

None.
