TRAFFICKING VICTIM ELIGIBILITY FLOW CHART

Individual applies at FRC and requests assistance. She/he completes application for Cash Aid, CFAP, and/or Medi-Cal.

NOTE: Applicant may not have applied for/ received a SSN.

During the eligibility determination interview, it is learned that the individual is a non-citizen who is a Victim of Human Trafficking AND she/he:

- Has filed application for a T Visa with USCIS;or
- Is preparing to file an application for a T Visa; or
- Makes a statement that they are a Victim of Trafficking; or
- Is taking steps to meet the eligibility conditions for federal benefits

The Individual gives a sworn statement that she/he is a victim of human trafficking, <u>AND</u>

1) She/he provides at least one item of additional evidence listed below:

- Police. government agency or court record files;
- News articles;
- Documentation from a social services, trafficking or domestic violence program, or legal clinical, medical or other professional from whom the applicant or recipient has sought assistance in dealing with a crime;
- A statement from any other individual with knowledge of the circumstances that provided the basis for the claim;
- Physical evidence;
- Copy of completed T Visa application; or
- Written notice from USCIS of receipt of the T Visa application;

<u>OR</u>

2.) She/he cannot provide additional evidence but the worker is able to make a determination that the applicant is credible through the interactive interview and documents this in the case comments.

NO

YES

Eligibility for various programs (state RCA, CalWORKs, CFAP, Medi-Cal, CAPI) is determined based on individual's family make-up, income, resources, etc.

Individual meets all other program eligibility requirements?

Aid and services are denied.

State-funded aid and/or services are granted

If T Visa application is approved by USCIS and/or individual is certified by ORR

*Individual becomes eligible for federally-funded benefits and services and state-funded aid/ benefits are terminated.

Individual has not applied for a T Visa within one year of applying for aid.

Request on behalf of individual for continued presence has not been made within one year of applying for aid.

If T Visa application is denied by USCIS

**Individually NOT eligible for federally-funded benefits and state-funded aid/benefits are terminated

**Individual NOT eligible for federally-funded benefits and state-funded aid/ benefits are terminated.

Notes:
* Program time limits apply.
**Aid/benefits may already have been terminated due to program time limits (e.g., eight months of state RCA).
