

90-170 APPENDIX B. MARSHALL WARRANT CLEARANCE CODES

Codes

The table below shows a list of common codes found on the Marshall's MA09/MA10 screens. By using the columns for 1st Character and 2nd/3rd Characters, workers can interpret the type and status of the warrant. Upon verification that the person on the MA10 screen is the same as the applicant/recipient, worker action, based on the codes, is shown in Actions, below.
