

## 90-400.03. DEFINITIONS

---

**A. General** This section provides the definitions of terms used throughout this chapter.

---

**B. Potential Income** Potential income is any income reasonably anticipated as available to the applicant/recipient consistent with the applicant's/recipient's current health and resources. A Case Alert will be set to alert the worker of potential income and the date such income may become available. The worker shall follow up on all potential income.

---

**C. Current Income** Current income is net income received or reasonably expected to be received in the month of application or calendar month.

---

**D. Date of Eligibility** An employable applicant remains ineligible until his/her income on a prorated need basis is depleted.

---

**E. Earned Income** Earned income is income received in-kind or in cash as wages, salary, commissions, or profit less deductions from business enterprises in which the applicant/recipient is or was engaged as a self-employed individual or employee.

---

**F. Unearned Income** Unearned income is all benefits, contributions, allowances, loans or grants, and interests or dividends from personal property or personal resources not received as wages, salary, commissions, or profit from employment.
