

General Relief (GR) Program Guide (PG) Letter #66

July 1, 2011

Subject **JOB SEARCH (JS) REQUIREMENTS**

Effective Date Upon receipt.

References County Policy

Purpose The purpose of this Letter is to provide updated instructions for assigning Job Searches for the initial partial month of aid.

Background All Able-Bodied (AB) GR recipients are required to complete a specified number of JSs to find employment in an effort to end dependence on GR and to show continued cooperation.

Changes Since an applicant may not have time in the initial partial month of GR aid to be able to complete 20 JSs, the requirement for the initial partial month will be one JS for each working day for which the client received aid in the initial partial month up to 20 JSs.

Required Action When approving GR aid for the initial month, the worker must assign one JS for each working day remaining in the initial month. For example, if the Intake interview is completed on Wednesday, June 22, 2011, and all eligibility requirements are met, the applicant must be assigned 7 JSs for the month of June 2011 (June 22-24 and 27-30). The 11-7 HHSA Job Search form is still due on the 5th of the following month.

The worker must inform the recipient of their JS assignment for the initial month and must edit form 11-7 HHSA to show the required number of JSs.
