

**County of San Diego, Health and Human Services Agency (HHSA)  
General Relief (GR) Program Guide Special Notice**

**Increase to GR Grant and In-Kind Values**

**Number**

**16-01**

**Page**

**1 of 1**

**Effective Date:**

October 1, 2016

**Background:**

As part of the implementation of the GR Program changes effective February 1, 2014, GR grant amounts change whenever the CalWORKs Maximum Aid Payment (MAP) amounts change. The percent of the increase or decrease to GR grant amounts will be identical to the percent of increase or decrease to CalWORKs MAP amount changes.

**Purpose:**

To provide the increased grant and in-kind values based on the CalWORKs increase.

**Policy:**

CalWORKs will have a 1.43% MAP increase effective October 1, 2016. Thus, GR will also have a 1.43% grant increase effective October 1, 2016.

**Procedure:**

Use the increased grant and in-kind values to determine eligibility and ongoing grant amounts effective October 1, 2016.

**Program Impacts:**

**Automation**

The GR COLA will run a retroactive COLA the weekend of October 2, 2016. Instructions on any reports resulting from this run will be issued separately.

**Other Programs Affected**

**CalFresh**

Recipients who receive both GR and CalFresh will need their CalFresh benefits to be recalculated as a result of the increase in the cash grant. This action is considered Known-to-County information. Refer to CalFresh Program Guide.
