## Whose Income Counts in the Income Calculation for MAGI

- ✓ Repeat for **each person** in a household.
- ✓ **Pre- condition:** The household composition for the applicant has been identified.
- ✓ Use the outcome table at the bottom of the page to record outcome for each person.

**Household income=** the sum of the MAGI-based income of everyone included in the household composition of the applicant whose income is counted.

Do not count as income non-taxable cash support, exceeding nominal amounts, provided by the tax filer.
