Purpose The purpose of this letter is to inform staff of the change to the family member maximum base allocation amount effective 7/1/2009.

Background The family member maximum base allocation amount is the amount that a Long Term Care beneficiary may allocate to family members. Effective July 1, 2009 through June 30, 2010 the family member maximum base allocation amount is \$1822.

**Required
Action** The CalWIN project has generated a list of cases affected by this change (the list is attached to the email distribution of this notice). Cases effected are those where a spouse is in LTC and the at-home spouse has a dependent child. The identified cases must be reviewed in CalWIN to ensure that the July allocations are correct.

Workers must run EBDC on these cases and review the budget information to ensure that the correct family member maximum base allocation is used for July 2009 onward.

**Automation
