

Medi-Cal Program Guide (MPG) Letter# 697

April 9, 2010

Subject **ARTICLE 1 SECTION 1 DEFINITIONS AND ARTICLE B SECTION 1 RESOURCES UPDATES**

Effective Date Upon Receipt

Reference County Policy

Purpose To provide staff with an updated list of commonly used definitions and acronyms and a resource directory in the MPG.

Background To define terms commonly used in the Medi-Cal program. Definitions contained in this section are intended to serve as a resource to staff, not to provide regulations. The Resource Directory is intended to serve as an aid in handling numerous types of inquiries and problems from various sources.

Changes Added commonly used acronyms and definitions and to provide an updated resource directory. Future additions to this section will occur as needed without issuance of Program Guide Letters.

Required Action None

Automation Impact No Impact

Forms Impact No Impact

Quality Assurance Impact No Impact
