

# Medi-Cal Program Guide (MPG) Special Notice (SN) 13-09 Addendum C

February 20, 2014

---

**Subject** HEALTH CARE REFORM (HCR) MEDI-CAL AND LOW INCOME HEALTH PROGRAM (LIHP)

---

**Effective Date** Upon Receipt

---

**Reference** ACWDL 14-01, MPG SN 13-09 Addendum B

---

**Purpose** To revise information provided in MPG SN 13-09 Addendum B on LIHP enrollees turning 65 years old, and to provide information on the Health Care Coverage Initiative (HCCI) population.

---

**Background** [MPG SN 13-09 B](#) provided information on the transition of LIHP enrollees to Medi-Cal.

---

**Turning 65 years old** [MPG SN 13-09 B](#) incorrectly stated that LIHP enrollees turning 65 years old by January 31, 2014 must reapply in order to continue medical coverage. These enrollees may be eligible to Non-MAGI Medi-Cal.

When an enrollee turns 65 he/she should be re-evaluated for regular Medi-Cal without a new application, per Senate Bill (SB) 87 ([MPG 13.01](#)).

---

**HCCI Population** LIHP HCCI enrollees are individuals with income above 133% up to including 200% Federal Poverty Level (FPL). These individuals were not automatically transitioned to MAGI Medi-Cal. This population was informed that they had to apply for coverage through Covered California by the Department of Health Care Services (DHCS). Direct individuals to [www.coveredca.com](http://www.coveredca.com) for information.
